Dear Parents/Guardians

Pupils self-isolating

As a school community we are experiencing Covid related issues where children are self-isolating.

Prior to Christmas, as a school community, we were experiencing a small number of absences which resulted in children self -isolating.

At that stage school made contact with individual families and if requested by the parent, a 'Home Learning' pack was prepared, by the class teacher and made available for collection from the school office.

We are now experiencing a greater volume of absences thus phone calls may not always be made.

If your child is isolating and you require a 'Home Learning' pack, I would ask you to please contact school via email and request a pack.

We will endeavour to make the pack available for collection as soon as possible.

The office will email or phone you when the pack is available. Please be patient with this matter as school is also managing a reduction in staff and resources

The completion of this 'Home Learning' will be very dependent on each home's personal circumstances and is optional.

Please do not worry if all suggested learning is not completed. The Health and Well-Being of your child, isolating, is your priority.

Regards

J. McAuley (Principal)
